

## Our Mission

To provide quality, fresh and seasonal food combining both American & Polish traditional and favorite cuisine.

Because we want every customer to leave happy and be excited about returning, we strive to provide impeccable service through our hospitality, efficiency, professionalism and integrity of our work

And, we are a responsible corporate citizen by providing a safe, clean and attractive place for our customers, for our employees to work in as well as ensure ecologically sound management practices in our community. We also provide support for selected charitable activities in the community that we serve.
